

M/Y LUKAS

M/Y Lukas is the perfect choice for families and friends who want to explore the Adriatic at great lengths and exciting speed. Signed by Fausto Filippetti, the co-owner of Pershing Yachts, this 23-meters-long luxury yacht was built in 2007, and completely refit in 2019. She is a head-turner: smartly designed, super-safe, very comfortable and run by an experienced crew of three, she warrants you the freedom to indulge in complete spontaneity.

Accommodating up to 8 persons in four cabins, she provides ulterior comfort while allowing for some flexibility. Two spacious cabins are doubles, and the other two are twins, but one can be converted to a double. Her common spaces invite gatherings: the flybridge features an al fresco dining table but can be converted into a large sunbathing area; the saloon has an upgraded entertainment system and the aft deck with a dining table simply calls for sunlit dinners. Hop into the turquoise Adriatic Sea from the large bathing platform with shower, and marvel at the breathtaking vistas from the lounge area on the bow, complete with a sun tent.

You'll also enjoy a varied selection of onboard and off-board entertainment. Among the interior features, find Bang & Olufsen audio/video system, Smart TV /DVD in saloon and TVs in all cabins. Generous offer of water toys guarantees on-the-water action, ranging from the tender boat, wakeboard, water skis, and jet ski to SUP, donut, snorkeling and fishing equipment.

Onboard M/Y Lukas, options abound. Relax and enjoy the Adriatic at its best!
